

## PRINCIPAL'S MESSAGE

Welcome to our OLA future!  
We invite you to partner with us in our efforts to prepare our students as responsible citizens in this 21<sup>st</sup> century.

Our STEM project enhances student learning, broadens the educational capacity of our existing preschool, and allows us to admit more students to Our Lady of the Assumption Catholic School.

## OLA CAPITAL CAMPAIGN PRAYER

Almighty and Everliving God, Creator and Source of all goodness, we praise and thank You for the abundance of blessings Our Lady of the Assumption School has received from the moment it was established in 1958, and continuing up to the present. Your beloved Son, Jesus said "Let the children come to me, and do not prevent them; for the kingdom of heaven belongs to such as these." (Matthew 19:14). Assist us as we live by His words.

Heavenly Father, Our Lady of the Assumption School is in need of facility expansion and improvements; a place for Your children to be guided in faith and equipped with 21<sup>st</sup> century knowledge and skills for life-long success.

Through the intercession of Our Lady of the Assumption, the primary educator of Our Lord Jesus Christ, we humbly come to You, Father Almighty, to bless our efforts and sacrifices in reaching our Capital Campaign goal so that Your kingdom may grow and Your will be done. Lord hear our plea, strengthen us with Your Holy Spirit that we may endure the challenges coming our way, persevere through those trials, and accomplish the task placed before us.

We ask this in the Name of Our Lord Jesus Christ and through the intercession of Our Lady of the Assumption.

Amen.

CAPITAL CAMPAIGN

*"Sharing Christ Today With The Leaders of Tomorrow!"*

## OUR MISSION

Our Lady of the Assumption School, an educational ministry of Our Lady of the Assumption Parish encompassing preschool through grade 8, is a community of believers that exists to pass on the values, teachings, and traditions of our Roman Catholic faith.

Located in the northern area of San Bernardino, we serve our Parish as well as those located in the city of San Bernardino, mountain, and high desert Parishes. We also open our doors to the surrounding community and those of other faiths with the expectation that all families accept the mission and philosophy of OLA.

Our school focuses on helping our students recognize and develop their individual gifts and talents so that they may reach their highest potential in all areas: spiritual, moral, academic, social, cultural, and physical.

Beyond providing a rigorous Catholic education, we also offer a technologically rich learning experience for our students. We instill in our students, with their multicultural backgrounds, a respect for life, an appreciation of all God's gifts, and a sense of personal responsibility towards the environment.

## VISION

Our Lady of the Assumption School will graduate "Leaders of Tomorrow" guided by faith and equipped with 21<sup>st</sup> century knowledge and skills for life-long success.

## FUTURE OF OLA

### What is STEM?

Science - the study of everything around us; collecting data, performing experiments, analyzing results.

Technology - dealing with and responding to our world; robotics, coding, virtual tours and learning.

Engineering - understanding the basic designs and patterns that surround us; construction, design, and implementation.

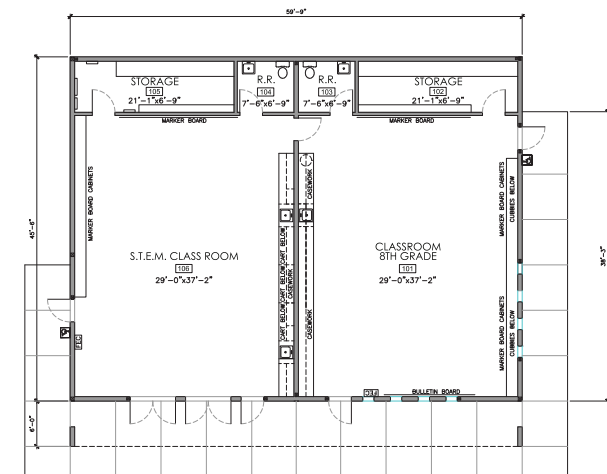

Mathematics - standards by which we live, present in everything we do; reckoning, calculations, and planning for the future.

### Why STEM at OLA School?

- Addressing real world issues with a Catholic mindset.
- Hands-on inquiry and open-ended exploration for all students.
- Lay the foundation of Catholic values, teamwork, and responsibility for our environment.
- Developing "Leaders of Tomorrow", capable of applying critical thinking and problem solving in all situations.

### Benefits

- Maximize Student Learning
- Strengthen Analytical Skills
- Maintain Strong Moral Values
- Enhance Critical Thinking
- Accommodate All Learning Styles
- Double the Existing Preschool Capacity
- Increase Student Exposure to Learning Opportunities
- Support our OLA Vision!
