

Welcome to the Force!

Hello my name is Claudia Tamayo and this is my second year teaching at Our Lady of the Assumption, but don't worry I have been part of this community for many years as a parent! I am so excited to meet your Jedi and spend the incoming school year with them. Last year I had a lot of fun experiences with the kids and I'm positive that this incoming school year will hold just as many adventures. During my first year teaching, I learned a lot of valuable lessons but I am more than willing to continue to learn along with your kids. I won't be the only one helping your children grow but they will also help me grow as a teacher, person, and daughter of God. I can't wait to meet all of you parents at "Meet the Teacher Night" on Friday August 16 from 7:30-8pm. It is a blessing and a great privilege to be your child's teacher this year.

"Study to become very rich, but rich in virtue, because the greatest of all treasures is the holy fear of God."

May God be with you,
