

Hello Future Kindergarteners!

My name is Mrs. Martinez formally Miss Ramirez, but I got married! I am so happy to be your Kindergarten teacher this upcoming school year! I hope you are enjoying your summer vacation! 😊 . We are going to do and learn so many neat things! You will also meet new friends and meet other teachers! I hope you have your school supplies ready! Before school starts make sure to read a book before going to bed. Play with lots of play-doh and create shapes and letters! Practice cutting and tracing! Don't forget to practice opening up your snacks to be ready when school starts. I will see you soon! Take care!

Love,
Mrs. Martinez
