Dear 4th Grade Families,

We are so excited to be your 4th grade team this year! Just like a great baseball team, we know that success comes from teamwork, respect, kindness, and effort. We can't wait for a fantastic year filled with learning, laughter, growth, and unforgettable moments. We are here to support, encourage, and challenge your child every step of the way. *Play hard, be kind, make good choices, and let's have a HOME RUN year!*

MR. GARCIA

★ 4th Grade Teacher ★

My degree is in Political Science. I love the Dodgers and Lakers, music, and coaching baseball. I love teaching because I love seeing people improve and become better people and model citizens. I believe education is important and a major part of children's confidence as they grow into young adults. I want to be a part in instilling this confidence, curiosity, and independence.

*Let's work
together to
make this an
incredible
year!*

4th Grade Teacher & School Counselor

I have two Master's Degrees—one in Curriculum and Instruction and another in School Counseling with my PPS Credential. I have been in education for 10 years.

I LOVE inspiring and teaching students, helping them navigate their challenges, and supporting their growth each step of the way.

As the school counselor at OLA, I will also be focusing on our students' emotional well-being. I am passionate about helping every child discover their strengths, build confidence, and feel supported—academically, socially, and emotionally.

I am also a proud Mama, and being a mom is the greatest blessing and role I cherish every single day!

*Every child
has unique gifts,
and I'm here to
help them shine!*

Together, We Can Do Great Things!

Thank you for trusting us with your child's education. We are so excited for all the memories, learning, and growth this year will bring.
