

**Hello future First Grader,**

**My name is Mrs. Kristy Blanco and I will be your first grade teacher this year at OLA. I cannot wait to meet all of you in August. In the meantime I hope you are having a great summer break! Remember to read books and practice your 100's chart over the summer break. We will have lots of fun this year. We will play games, dance, sing, go on field trips and do lots of art projects. There are many new things to learn in first grade and I hope you are excited. Get a good nights rest the night before school and eat a good breakfast the morning of. I look forward to meeting each of you soon. If you have any questions please email me at [Blanco@olabruins.com](mailto:Blanco@olabruins.com).**

**Your Teacher,**

**Mrs. Kristy Blanco**
