

Welcome

Hello Jr. High Students!

My name is Mrs. Ruvalcaba. I am the 7th grade homeroom teacher. I will be teaching Jr. High ELA. I am so excited to get to know each of you and help you find the tools to succeed!

This year, the Jr. High teachers will be working with each of you to foster your skills of understanding, responsibility, respect, academic achievement, and faith. I hope to help you realize the greatness that each of you possess within yourselves! My goal is for you to see and take advantage of the opportunities, ministries, sports, and activities that are available to you.

Right from the get go we will be pushing all of you to be Responsible Citizens as we ask that you make sure to bring all of your supplies to school and come prepared to learn! Our first day of school is August 19th. We will be going over how to transition between classes, each of your teacher's expectations for you, as well as setting up our google classrooms!

I am so excited to see you all excel as you ready yourself for high school! Over the summer, please take a look at the supply list and make sure to come to school prepared!

I look forward to an amazing year! Enjoy your summer, rest up, and pick a fun book to read while you're out of school. Get lost in an adventure!

Blessings to you all,

Mrs. Ruvalcaba
